

BLS Healthcare Provider Available Online!

1. Make an appointment with Staff Development

BLS skills sessions are available every Thursday 0800-1600 with the exception of holidays. *By Appointment Only.*

FEES: *Dameron Employees: \$15.00*

Non-Dameron Employees: \$50.00

Additional skills testing dates/times available for Dameron employees ONLY and for a higher fee of \$50.00. Times are based on availability of an instructor and need to be approved by Staff Development.

Skills Check sessions are 30-45 minutes long. Appointments must be made at least one business day in advance. Walk-ins will not be accepted. Alternative option: visit www.AmericanHeart.org to search for other Training Centers in your area.

2. Complete Part 1 of online course recertification.

Log on to <http://www.onlineaha.org>

****Student MUST complete online certification using OnlineAHA.org***

BLS: Sign up for

1) BLS for Healthcare Providers Online Part 1 (Online fee \$22.00)

*We cannot accept certificates from other courses or companies. Alternative websites and certificates are NOT acceptable and skills testing will not be completed without the proper certification. Please ensure you are taking the correct course. Failure to have the correct certificate will result in student needing to reschedule. This will require repeating the process of steps 1-2. Students will not receive a refund for skills session.

3. Complete Parts 2 and 3 or Recertification: Skills Practice and Skills Check

Bring your certificate from the online course to your Skills Check. Your instructor cannot administer your skills check without the proper certificate. If you do not have your certificate with you, you will have to reschedule your test.
